Re-Four and half working week Timetable

Dear Parents and students,

We are now moving into a 4.5 working week with our weekends being Saturday & Sunday. This leaves us with approx. 10 weeks of current schooling until the end of the 2021-22 Academic Year. We are planning to use these 10 weeks to investigate the issues that may arise with the new 4.5 working week and consult with our community on the best model going forward into the next academic year. Below is our starting model and timetable:

Four and half working week Timetable

- We reopen on 3rd January 2022 with Monday's timetable as per the new guideline timings.
- We will take this opportunity to provide our students with a robust PEP on 2 days during the 7th period.
- Sunday's timetable is split and spread as detailed below.
- Please note - the 7th period continues to be 55 minutes because of PEP which will now incorporate sports, arts, play, environmental and humanitarian experiences

Monday to Thursday

Time	Status	Time allotted
7:45am to 8.00am	Registration Time	15 minutes
