

SSLTP/BG/T1-003

Date: 30<sup>th</sup> August, 2021

Dear Parents,

We are now operating under the *KHDA "Back to School" Protocols*

To comply with Section F. RESTRICTIONS, point 46, Page 10 (see screen shot below) we require all parents, guardians and visitors to provide proof of vaccination or a negative PCR within the past 48 hours

46. Parents, guardians, or visitors who enter the school premises, including those dropping off and picking up younger children, should provide proof of vaccination or a negative PCR test taken in the previous 48 hours.

1. All parents are requested to carry their parent id along. If you fail to do so please refer to point no 4. For those new admission parents that haven't yet received the parent id to bring to the notice of their class teacher so that the ID cards can be printed and made available.
2. At Springdales we have set up a system whereby if you bring proof of vaccination to the front gate, we will provide parents with a stamped card that can be placed into the **Parent ID badge** after being sighted by our security officer. This means you will be able to enter, if necessary, by simply flipping your parent ID and showing the stamped card on any future visits.

3. If you are not vaccinated then the PCR test rule will apply whenever you visit.
4. Please adhere to the above procedure as we do not want to cause offence to any of our parent population by refusing entry.

Regards,

Dr. Brian Gray
